NEWTON FELLOW

You do the math.

The Newton Fellowship Program is looking for mathematically sophisticated individuals to teach in NYC public high schools. Newton Fellows earn competitive starting salaries on par with scientists, engineers and architects. The Fellowship provides an aggregate \$90,000 in stipends, full tuition scholarship for a master's, mentoring, coaching, and professional development.

Nobody goes into teaching for the money. The best teachers do it out of love for the subject and a passion to inspire. As a Newton Fellow, you can have it all. So who better to teach math than you?
