

P&G

Careers

P&G's Diverse Workforce enables us to be "in-touch" with our consumers and customers around the world. As one of a few Fortune 500 companies with an entire division dedicated to serving African American and other multicultural groups, Procter & Gamble attracts, retains and develops the "best of the best." We set ourselves at the forefront of creating an environment of support and opportunity for our diverse groups, promoting individual creativity and innovation.
