

# **STANFORD LINEAR ACCELERATOR CENTER**

## **SUMMER INTERNSHIPS**

Apply for next year's Science Undergraduate Laboratory Internship (SULI) Program with the Department of Energy and make SLAC your choice for next summer. SLAC is a world-renowned center that specializes in research in accelerator physics, elementary particle physics, astrophysics, and x-ray studies in diverse fields including materials science, biology and chemistry.

## **WE WANT YOU!**

Find out more about our program from SLAC's website,  
***www.slac.stanford.edu***;  
and click on the "For Students" link

### **Contact Information:**

*SULI administrator:* Pauline Wethington,  
***lean@slac.stanford.edu***

Tel: 650.926.4559

or

*SULI Manager:* Mike Woods,  
***mwoods@SLAC.Stanford.EDU***

Tel: 650.926.3609
