ARMY ROTC

There's strong. Then there's Army Strong. Army ROTC supports and pushes your strengths even further by providing leadership development both inside and outside the classroom. Upon graduation and completion of Army ROTC, you can earn a commission as a Second Lieutenant – making you an Officer responsible for leading Soldiers and a key decision maker in the U.S. Army. You can also receive a full-tuition, merit-based scholarship. Start with a strong foundation.
