
When it comes to the future, some people are content to just push “play” and let it roll. You? You want to hit the fast forward button to owning your own business someday. Making that scenario real takes leadership skills, education and experience. The kinds of things the United States Navy teaches and rewards every day. **The Navy makes it possible** to get the money you need for college and the leadership experience you need to achieve your goals in life. Accelerate your future and find the person in you. **Dial 1-800-USA-NAVY or go to navy.com.**
