

# **STANFORD LINEAR ACCELERATOR CENTER**

## **SUMMER INTERNSHIPS**

Apply for next year's Science Undergraduate Laboratory Internship (SULI) Program with the Department of Energy and make SLAC your choice for next summer. SLAC is a world-renowned center that specializes in research in accelerator physics, elementary particle physics, astrophysics, and x-ray studies in diverse fields including materials science, biology and chemistry.

## **WE WANT YOU!**

Find out more about our program from SLAC's website,  
*[www.slac.stanford.edu](http://www.slac.stanford.edu)*;  
and click on the "For Students" link

### **Contact Information:**

*SULI administrator:* Farah Rahbar,  
*[farah.rahbar@slac.stanford.edu](mailto:farah.rahbar@slac.stanford.edu)*

Tel: 650.926.8537

or

*SULI Manager:* Mike Woods,  
*[mwoods@SLAC.Stanford.EDU](mailto:mwoods@SLAC.Stanford.EDU)*
