

**Your best friend's  
half-brother's  
uncle's niece  
says it's a great  
place to work.**

**So what?**

**Do your  
research.**

▶ Our Insider Guides give job seekers the **inside information** they need to make informed decisions about their careers and future employers. We have helped thousands find their own path to career success and we look forward to helping you!

Ask your career management center if you have free access to the guides at your campus.
