

Before starting your own business,
get a head start on it here.

Taking on the challenges of starting your own business takes more than an entrepreneurial spirit. It takes leadership skills and education to go along with your ambition. Qualities you'll learn and take advantage of in the U.S. NAVY. **The NAVY makes it possible** to get the money you need for college and the leadership experience you'll need to open your own business – or do whatever you want to do – when you're ready to make your move. Bottom line? If you're ready to accelerate your future in business and find the person in you, there's only one place to be. Make the call. **Dial 1-800-USA-NAVY or go to navy.com.**
