

DOW JONES

Born in the
industrial age.

Matured in the
modern age.

Dominating the
information age.

We're definitely
not acting
our age.

You know us for how we measure industrial success. But how do you measure a successful company?

Do you look for a world-renowned name? Respected products? An unwavering dedication to information and integrity? Dow Jones is all this and more. We've grown and matured to become the world's most trusted source for business-related news. And that's great news for your future.

Integral roles within these areas of the company are available:

- **Circulation/Distribution**
- **Production/Operations**
- **Technology/Computer Sciences**
- **Data Analysis/Finance**
- **Editorial/Journalism**

Positions are primarily in New York and New Jersey.

Work with us and you'll be at the heart of real innovation. For consideration, please forward resume, noting salary requirements and position title, to: **J.A. Nyitray, Director, Staffing, Department BC, Dow Jones & Company, PO Box 300, Princeton, NJ 08543-0300. Fax: (609) 452-3361. email: joe.nyitray@dowjones.com. Visit us online at dj.com/careers.**
