National Geospatial-Intelligence Agency (NGA)

Keeping America secure requires pinpoint accuracy to identify and counter threats, and the National Geospatial-Intelligence Agency (NGA) delivers. We produce geospatial intelligence—making possible unparalleled capabilities to describe, assess, and visually depict physical features and activities any place on Earth. At NGA we value our diverse culture and we seek qualified employees who believe in teamwork, creativity, risk-taking, and mutual trust and respect. NGA offers challenging opportunities for qualified personnel.

For more information and to apply on-line visit our website: www.NGA.mil/careers or send an e-mail to recruitment@nga.mil. If the position you are seeking is not listed, please apply in our Future Needs Opportunity section.

NGA offers competitive salaries, comprehensive training, and excellent benefits package. Positions are located at our headquarters in Bethesda Maryland, St. Louis Missouri, and several other U.S. locations. Applicants and their immediate family members must be U.S. citizens. Applicants must be able to obtain a security clearance. .
