

Shands HealthCare

Gainesville, Florida

*Where opportunities
are more than equal!*

All people are created equal, though the same cannot be said of all career opportunities. As the Southeast's premier healthcare network, **Shands HealthCare** certainly stands apart from the rest. We hire individuals from every imaginable background, and utilize their ideas and ambitions to continually raise the bar for the entire industry. Within our eight top-quality hospitals, our professionals are pushing the envelope with new techniques and innovative solutions. Our longstanding affiliation with the **renowned University of Florida Health Science Center** has led to medical breakthroughs, wide acclaim, and truly exceptional career opportunities.

NURSING & ALLIED HEALTH

Take this opportunity to rise above the rest with **Shands HealthCare**. We offer competitive compensation and excellent benefits, including tuition reimbursement, generous paid time off, several health/medical plans, and more.
