How do you want to begin your postcollegiate career? As a low-level employee trapped in a makeshift box? Or are you ready for a leadership position with a little more excitement? With a college degree, you'll have the opportunity to become an officer in the United States Air Force. Starting off as a second lieutenant, you may be put in charge of developing new technology or asked to lead a mission of global importance. No matter what the task, we assure you it won't fit in a cube. Call 1-800-423-USAF to request more information or visit [AIRFORCE.COM](http://AIRFORCE.COM).
