

10-year associate

Has vacationed in Italy,
France, and Egypt

Loves seafood.

Can bake a mean cake

Dana,
Buyer

Our Differences Make the Difference

Different backgrounds, different experiences, different perspectives. We recognize that building a diverse workforce is about so much more than age, gender, religion or race ... it's about the little things that make each of us unique. We pride ourselves on recruiting people whose individual skills and backgrounds give us the foundation of strength and knowledge to tackle challenges together and create solutions to benefit everyone.

Wal-Mart Stores, Inc., is hiring talented people.
